## Feel the Fear and Do It Anyway

by Jeffers, Susan J.

Book - 1988

After reading this book I put my hand on a stove burner, went for a walk in the worst part of town at 3 am and got mugged, and ate a piece of raw chicken. In hindsight, I suggest reading the full book before taking the title's advice.

## Johnson County Library's Cat of the Month - Delilah

Great Plains SPCA and the Johnson County Library are doing something really cool. Every month the library is going to name a cat from GPSPCA as their Cat of the Month. Each Cat of the Month will be able share what's on their reading list.

Photo from Great Plains SPCA

Delilah was the Library's first Cat of the Month. Yes, that is the same Delilah we've mentioned before. The one who has been at the shelter over a year, the lap warmer, catnip connoisseur, and cougar, err, I mean panther.

Guess what???? Three days after becoming the Cat of the Month Delilah was ADOPTED!!!!

Of course, Delilah had to add a few things to her reading list to help her adjust to her new home. [See what Delilah is reading.](#)

Good day, ladies and gentlemen! I'm a fine noble cat who's looking for a family to love me. I currently reside at Animals Best Friends, an animal shelter in Independence, Missouri. I have some trouble seeing (which is why my mustache is crooked) but I love playing with human and cat friends. I would love to grace your home with my presence! Please fill out an adoption application at [www.animalsbestfriends.org](http://www.animalsbestfriends.org).
